xpdx Global Reach. Local Expertise. As leaders in printing, paper, graphic imaging, facility maintenance, as well as packaging systems and design, we have the expertise to improve the efficiency in your operation and your bottom line.

Our Comprehensive Offering Includes:

- **Products & Service**
 - ***Paper Products***
 - As one of the largest providers of post consumer waste content and recycled papers corporations, publishers, in-plants and printers of every size and scope turn to us for complete paper solutions.
 - ***Printing and Fulfillment Services***
 - Printing services for all your printing needs. From the very simple envelopes, letterhead and business cards to the very complex catalog setup, printing and distribution.
 - ***Packaging and Packaging Solutions***
 - Packaging expertise, including specialists and technicians throughout the U.S. and Mexico. Our experts deliver complete solutions for consumer packaged goods manufacturers from concept and design to final product and also help customers reduce costs and improve quality and efficiency across their packaging and logistics operations.
 - ***Total Facility Supplies***
 - Provide a full range of facility supplies and equipment to building service contractors, in-house facility maintenance providers, and healthcare educational facilities. We provide leading brands of chemicals, towel, tissue and hygiene systems, general cleaning products and equipment, disposal systems, hand care products, floor care supplies and equipment, as well as xpdx national brands.
 - ***Kitting and Small Assembly Service*** - skilled assembly staff available for your custom needs.
- **Energy Conservation**
 - **LED Lighting**
 - Perform complete photometric layouts in-house, meaning we do not have to rely on each LED factory's own photometric methodology and are therefore able to make a true "apples to apples" comparison of competing LED products.
 - While we apply an engineer's rigor to our photometric and financial analyses, we have our roots in lighting design, so we select only those LED products that meet your needs.
 - **BERT**
 - Easily allow organizations to eliminate kWh usage, vampire loads, in their environment with a plug-and-play energy control device that is remotely controlled by computer via WiFi.
 - **Thermal Barrier solutions**
 - DockBlanket is a simple, highly effective solution to the largest energy loss area in every warehouse shipping and receiving space.
- **Sourcing/Logistics**
 - Warehousing Services, Third-Party Logistics, Transportation, Distribution Management
